Madam/Sir,

In inviting a reference to the above cited subject, I am directed to inform you that it has been brought to the notice of this Department that, some of the employees appointed and working in different non-Government Aided colleges have submitted fake and fabricated certificates/mark sheets of qualifying examination and without possessing the requisite marks in qualifying examination in Master of Degree and other examinations as per Government norms.

In order to weed out such fraudulent means adopted by some employees it is required to verify the original mark sheet/certificates of the qualifying examination of each employee of your college and submit a consolidated data in respect of each of the employees along with an affidavit sworn by you before the concerned Executive Magistrate to the effect that, the same have been verified by you and found to be in order. In case, any anomaly is found at the time of verification, the same is to be reported immediately to this Department for further course of action at this Department level.

This may be accorded "top priority".

Yours faithfully,
